Traffic Control & Safety

Built in Kill-Switch preserves battery power when not in use.

Mobile Exit Sign

Our Mobile Exit Sign can be used in tents of all sizes. What's more, the sign is fitted with adjustable straps and snap hooks to make installation a snap! If the power goes out the exit sign stays lit, the emergency lights turn on and the built-in on/off switch allows you to save battery power when not in use. Other great features include one 7' built-in white extension cord, one replacement faceplate and an incredible 6-Volt, 8-10 year replaceable battery!
